

Dunamis Engineering is committed to protecting your privacy and developing technology that gives you the most powerful and safe online experience.

This Statement of Privacy applies to the Dunamis Engineering site and governs data collection and usage. By using the Dunamis Engineering site, you consent to the data practices described in this statement.

Collection of your Personal Information

Dunamis Engineering collects personally identifiable information, such as your email address, name, home or work address or telephone number. Dunamis Engineering also collects anonymous demographic information, which is not unique to you, such as your ZIP code, age, gender, preferences, interests and favorites.

There is also information about your computer hardware and software that is automatically collected by Dunamis Engineering. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used by Dunamis Engineering for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Dunamis Engineering site.

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through Dunamis Engineering public message boards, this information may be collected and used by others.

Note: Dunamis Engineering does not read any of your private online communications.

Dunamis Engineering encourages you to review the privacy statements of Web sites you choose to link to from Dunamis Engineering so that you can understand how those Web sites collect, use and share your information. Dunamis Engineering is not responsible for the privacy statements or other content on Web sites outside of the Dunamis Engineering and Dunamis Engineering family of Web sites.

Use of your Personal Information

Dunamis Engineering collects and uses your personal information to operate the Dunamis Engineering Web site and deliver the services you have requested. Dunamis Engineering also uses your personally identifiable information to inform you of other products or services available from Dunamis Engineering and its affiliates. Dunamis Engineering may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

Dunamis Engineering does not sell, rent or lease its customer lists to third parties. Dunamis Engineering may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is not transferred to the third party.

In addition, Dunamis Engineering may share data with trusted partners to help us perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to Dunamis Engineering, and they are required to maintain the confidentiality of your information.

Dunamis Engineering does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent.

Dunamis Engineering keeps track of the Web sites and pages our customers visit within Dunamis Engineering, in order to determine what Dunamis Engineering services are the most popular. This data is used to deliver customized content and advertising within Dunamis Engineering to customers whose behaviour indicates that they are interested in a particular subject area.

Dunamis Engineering Web sites will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Dunamis Engineering or the site; (b) protect and defend the rights or property of Dunamis Engineering; and, (c) act under exigent circumstances to protect the personal safety of users of Dunamis Engineering, or the public.

Use of Cookies

The Dunamis Engineering Web site use “cookies” to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a Web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize Dunamis Engineering pages, or register with Dunamis Engineering site or services, a cookie helps Dunamis Engineering to recall your specific information on subsequent visits.

This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same Dunamis Engineering Web site, the information you previously provided can be retrieved, so you can easily use the Dunamis Engineering features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Dunamis Engineering services or Web sites you visit.

Security of your Personal Information

Dunamis Engineering secures your personal information from unauthorized access, use or disclosure. Dunamis Engineering secures the personally identifiable information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other Web sites, it is protected through the use of encryption, such as the Secure Socket Layer (SSL) protocol.

Changes to this Statement

Dunamis Engineering will occasionally update this Statement of Privacy to reflect company and customer feedback. Dunamis Engineering encourages you to periodically review this Statement to be informed of how Dunamis Engineering is protecting your information.

Contact Information

Dunamis Engineering welcomes your comments regarding this Statement of Privacy. If you believe that Dunamis Engineering has not adhered to this Statement, please contact Dunamis Engineering at michael@dunamisengineering.co.za. We will use commercially reasonable efforts to promptly determine and remedy the problem.
